- Please place your order at least one week before show date.
- We cannot guarantee a specific time of delivery.
- Dynamic Events of Denver is not liable for items on display, damages, or breakage after lighting is delivered. Renter will be charged for any damage to lights. Halogen lights are very HOT, do not put them close to fabric or paper products, you could start a fire!!!
- Quoted prices are for one-week rental or show. Additional weeks are available at \$20/week pending availability.
- Cancellations made at least one week before the show will be refunded. Cancellations within one week of show are subject to a 50% cancellation charge.

8' tall lighting support with 2 upright poles and one cross spreader. Spreader bar is adjustable from 8'-14'. This will supply lighting to ONE side of your booth. Comes with six 50w halogen lights.

**Two Uprights, One Spreader: \$125.00**

8' tall lighting support with 3 upright poles and 2 cross spreaders. Each spreader bar is adjustable from 8'-14', so this setup can span booths that are wider than 14'. This will supply lighting to ONE side of your booth. Comes with twelve 50w halogen lights.

**Three Uprights, Two Spreaders: \$175.00**

8' tall lighting support with 4 upright poles and 3 cross spreaders. Spreader bars are adjustable from 8'-14'. This will supply lighting to THREE sides of your booth that is less than 14' x 14'. Comes with eighteen 50w halogen lights.

**Four Uprights, Three Spreaders: \$275.00**

Custom arrangements are available in any configuration larger than above for \$75/per spreader bar. Remember that each spreader bar will only span 14 feet, so for lighting on all 4 sides of a 10' x 20' booth you would need 6 uprights and 6 spreaders. Each spreader bar comes with 6 halogen lights. Extra lights are available. Check with show for maximum allowed wattage.

By signing, buyer agrees to above terms and conditions. \_\_\_\_\_
